

# Cornwall Project Concept

Support House's proposed Cornwall Rd expansion will feature:

- Mix of 37 bachelor and 1-bedroom units for adults living independently in the community.
- Common area and program space located on ground floor.
- Supports to assist residents in moving from a transitional to long-term permanent housing.
- Fully accessible units available for those that need them to age in place
- Affordable units geared to residents' income.
- Resident support onsite 7 days a week.
